INSULATED FACADE SYSTEM

Our premium Insulated cavity based, rainscreen Façade System coated with our reinforced render system applied over our exclusive GRAPHEX Insulation panels.

The GRAPHEX Insulated Plaster Façade System offers a lightweight, complete thermal barrier to the weather extremes' which will keep your home cooler in summer and warmer in winter in a cost effective manner all the while protecting the structure.

Proven Technology

Our GRAPHEX Insulation panel is installed over the time tested cavity construction method along with our exclusive EdgeSeal flashing technology. Protected with our 6 layers of hand applied reinforced render, texture & paint. All finished with your choice of texture from our wide range incorporating 'genuine' Resene colours.

Attractive and Durable

This System carries our written Performance Guarantee, Workmanship Warranty from your qualified LBP Registered Plasterer. The System includes our premium OnSite Quality Assurance programme providing surety of performance from installation to finish.

**Innovative design.
Integrated systems.
Enduring finish.**
