Simple Pushbutton tactile momentary switch for ControlLink

### Application

The simple pushbutton for ControlLink is a low cost, momentary switch with tactile feel, designed to remote activate dimmer and switching operations through ControlLink technology. ControlLink technology allows for multi-way switching or dimming over conventional mains wiring. ControlLink also allows for multiple simple units to be connected to control not only two-way control, but also three and four-way control without the need for conventional intermediate switches.

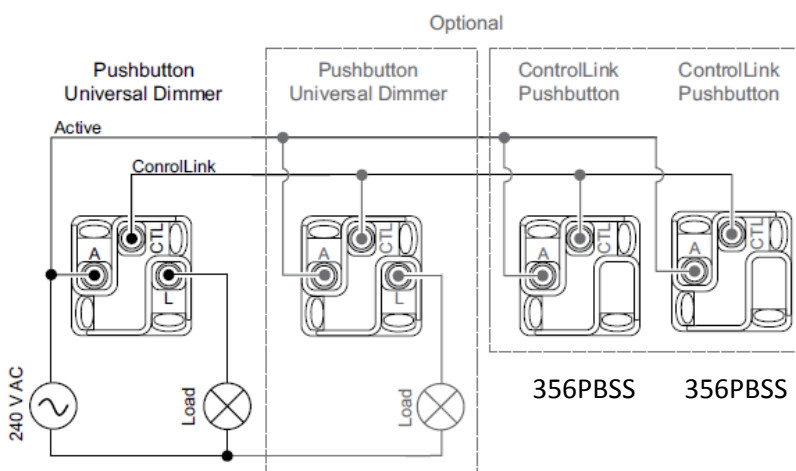

The simple ControlLink pushbutton is a mains rated device that is capable of switching only a very small (signalling) current of <50mA and therefore should never be connected to a load of any type.

The robust design includes over-current as well as short circuit protection.

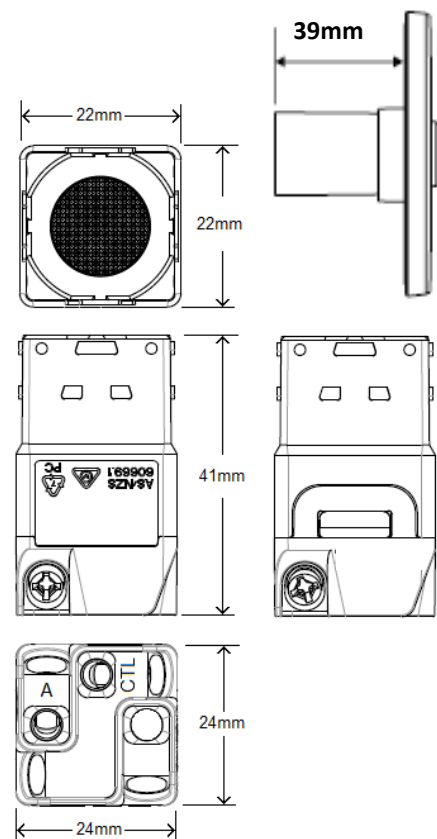

### Features

- Momentary pushbutton mechanism for multi-way switching/control using ControlLink
- In-built short-circuit protection
- 240 V rated momentary switch contact
- Supplied with Vivid White (VW) push button assembly.
- Integral wiring terminals
- Additional colour options through optional parts packs (Does not have LED indication)

## Specifications

Operating Voltage:	220-240V ac 50Hz
Maximum Load:	50 mA (signal switching only... do not connect to a load)
Operating Temperature:	0°-45° C
Storage Temperature:	0°-60° C
Ambient Operating & Storage Humidity:	5% ~ 90% Relative Humidity, Non-Condensing
Protection:	Short circuit/Over Current
Connections Terminals:	Screw type, square head & combination head Suits: 3x1.5mm <sup>2</sup> cable, Screw Torque Setting: 0.8Nm
LED Indicator:	Does not contain an LED indicator
Compatible Plates	Suitable only for Iconic Series Plates.

## Ordering details

Catalogue No.	Description
356PBSS-VW	Simple Pushbutton for Controllink (note- supplied with a VW Push button assembly)
Accessories	
300PBC-VW	PB Mech Colour Cap- Vivid White (pk 5)
300PBC-WY	PB Mech Colour Cap- Warm Grey (pk 5)
300PBC-CY	PB Mech Colour Cap- Cool Grey (pk 5)
300PBC-AN	PB Mech Colour Cap- Anthracite (pk 5)
